

WNTC'S TOP TEN

JAZZ SINGLE REIGNS SUPREME IN SUPERSTAR DELUGE

Herb Alpert defines the crossover hit this week as "Rise" holds down the number one position. The jazz musician and record company owner shows that he can still break up the charts whenever he wants to. Serious challenges in the next few weeks come from the Commodores and Robin Scott, better known as M. "Pop Muzik" is unique in the fact that it is almost all synthesizer and very little instrumentation. This week also the Knack moves into the top ten with their second hit. "Get the Knack" is one of the biggest albums of the year and the group will be a strong contender for Best New Artist at the Grammy awards.

Just below the top ten is Foreigner's "Dirty White Boy," from their *Head Games* album. It moves up nine this week and will surely be in the top ten next week. Another strong top ten candidate is "Spooky," from the Atlanta Rhythm Section.

This week the lower half of the chart has the most interest. Big movers include the Muppets, Kenny Rogers and John Stewart. High debuting songs come from Styx, with "Babe," the Eagles' "Heartache Tonight," and "All My Love" from Led Zeppelin. The other new songs come from strong artists. They are "It's All I Can Do" from the Cars' *Candy-O* and the third single from *Breakfast in America* "Take the Long Way Home" from Supertramp.
